This school community provides a chaplaincy program endorsed by the school's Parents and Citizens' Association and available on a voluntary basis to all students. The chaplain is involved in a range of activities which happen at this school which are free of religious, spiritual and/or ethical content. These activities are available to all students on a voluntary basis unless a parent or guardian requests in writing that this is not to occur for their child/ren.

Chaplains may also be involved in activities with religious, spiritual and/or ethical content and additional consent is sought from parent/guardians for these specific activities.

Information about the school's chaplaincy program is on the school's website. Prior to commencement of any additional activities with religious, spiritual and/or ethical content in the school, parents/guardians will be advised through the school newsletter and website.

If the chaplain is going to have more than one talk with a student, further parental permission is requested.</i></p> <p>2. <u>Lunchtime activities</u> <i>This may include sporting activities (such as a touch football game), games in the playground, or games in the activities room.</i></p> <p>3. <u>Big Arvo</u> <i>A fun time (happening in 4th term) which will include fun activities for the students, which may include a jumping castle, games, fun food, and other special activities.</i></p>	<p>1. <u>One on one meeting with the chaplain for religious and spiritual support.</u> <i>This is basically Chappy Time with a religious or spiritual focus.</i></p> <p>2. <u>Lunchtime prayer meetings</u> <i>This is an opportunity for students to meet together to pray.
